

How to Connect

SmartConnect: Your Medicare Advocacy Resource

SmartConnect's concierge Medicare service provides personalized support and guidance for anyone seeking a simple way to explore their Medicare options. Our licensed insurance agents will help you understand all the parts of Medicare, enrollment periods, eligibility and determine which plan may be right for you.

When speaking with SmartConnect, you can expect:

- A complete understanding of Medicare, enrollment periods, and your eligibility
- An unbiased comparison of your current health insurance to your Medicare options
- Help enrolling in a Medicare plan if you find one you like, as well as ongoing support for years to come

Starting Medicare:

SmartConnect makes Medicare easy, allowing you to confidently compare your current health insurance to a variety of Medicare options

Medicare Supplement ↑
Medicare Advantage ↓

Part A & B
Covers 80% of doctor visits and hospital costs

Medicare Supplement
Helps cover the remaining 20% of doctor visits and hospital costs

Part D
Covers prescription costs

Part C
Replaces Part A & B, generally an HMO or PPO-type of plan

Part D
Most Medicare Advantage plans include prescription coverage
