

# SMARTCONNECT: MAKING MEDICARE EASY

Navigating the transition to Medicare can feel overwhelming, but you don't have to do it alone. SmartConnect is an exclusive service created specifically for working or retiring adults (and family members) who are Medicare-eligible and may not have fully explored the benefits of Medicare coverage. We are here to educate you about your choices, compare your options against your current coverage, and help you determine the absolute best path for your unique health and financial circumstances.

## How We Help You Navigate Medicare

**Learn at Your Own Pace:** Browse our library of digital resources at your convenience. Learn the basics of Medicare, important facts to know if you plan to keep working past 65, and use the SmartConnect plan recommendation tool any time.

**Join Educational Webinars:** Make confident choices by joining live, easy-to-understand webinars. It's the perfect way to gather the facts, hear from experts, and ask your specific questions in a completely pressure-free environment.

**Compare Every Option with Zero Bias:** Talk one-on-one with a licensed agent who shops the entire Medicare marketplace for you. You get personalized, unbiased recommendations based on your actual needs—plus free, hands-on help enrolling when you're ready.
